# Special Procedures:

## **Determining Pool finishes in the case of a 3 way (or greater) tie:**

Results will be determined using:

1. Point differential among teams in the tie.
2. Point differential against the rest of the pool.
3. Total points scored.

## **Lightning Delays:**

The IM Fields have an automatic lightning detector that will sound if an electrical storm is in the vicinity. In the case that the detector is set off, please stop your game immediately and proceed to your cars. An All Clear siren will sound when the danger has passed.

## **How to resume your game after a lighting delay:**

1. If the delay was less than an hour and a half, the schedule will be adjusted to accommodate the continuance of the round being played. A quick captain's meeting will be held at the Hut (see field map) to inform teams of the new schedule. Please send a team representative to the Hut after the All Clear as been sounded.

2. If the delay is longer than an hour and a half, the round in play will be curtailed and the win/loss result discarded. The pools will be determined without the results of that interrupted match. In the case of teams with similar records from a pool, total point differential against the rest of the pool, including points scored during the interrupted round, will be used to determine pool results. Again, please send a captain to the Hut after the All Clear for further instructions.

3. In the case of multiple lighting delays during a day, a captain's meeting will be convened after the second delay to determine the rest of the day's schedule.

## **Rain out:**

In the case of field closure due to inclement weather, teams will be asked to do the following based on timing:

### **Fields closed Friday night or Saturday morning (until 10:00 AM):**

The tournament will be moved to the back up site in San Antonio, and the schedule compacted to accommodate play.

### **Fields closed during round play on Saturday (after 10 AM):**

Teams are asked to move to San Antonio. What can be salvaged of the schedule will be.

### **Fields closed Sunday:**

In the case of total field shut down on Sunday, the remainder of the tournament will be canceled, and teams will be directed to field space at local parks as deemed appropriate.
